

STARTUPS

Preparation:

You are going to watch a video featuring different startup ideas. Look at the phrases below: they all come from the video and each represents one of the ideas. What do you think the ideas might be?

food intolerance

ATM

trap door

refrigerator door

doll hospital

urine

bully

hot ice

in the middle of nowhere

Speculating About The Present And The Future

MAY

MIGHT

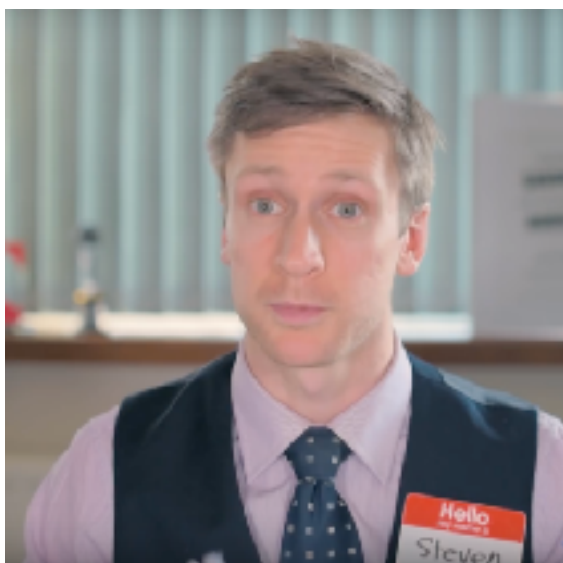

COULD

CAN'T

MUST

Video:

Watch the video and check whether your ideas were correct.

Questions:

1. Would you invest your money in any of the startups?
2. Do you ever deal with projects or people like these?
3. Who do you think is more likely to be successful in business: someone creative and a bit nutty or someone down-to-earth and level-headed?
