

*Nobody spends somebody else's money  
as carefully as he spends his own.*

Milton Friedman

---

# Economy

1. How would you describe the current state of the economy in your country?
2. What are some of the key factors that influence the economy in your country?
3. How do you think political decisions impact the economy?
4. What are some challenges when trying to balance economic growth and political stability?
5. What is the influence of global events or international politics on the economy of a country?
6. Should politicians have a background in economics to effectively manage the economy?
7. What role does the private sector play in boosting the economy?
8. Do you believe that economic policies should prioritize social welfare or focus more on economic growth?

## That's Conversation!

Do you like the free Conversation Cards? Do you use them in class?

Now you can access even more engaging and thought-provoking content ready to use in your conversation class.

Check out **That's Conversation!**

**That's Conversation MniEbooks** will provide you with intuitive exercises that both inspire discussion and teach new language. You can use them in their original digital format for your online class, or you can print them for use in a more traditional classroom setting.

For some serious **social and economic** topics get:

### That's Conversation! - Sentiments
