

Time you enjoy wasting is not wasted time.

Marthe Troly-Curtin

Downtime

1. How many hours of real free time do you have on a typical weekday?
2. What takes up most of your time outside work?
3. Do household chores count as work?
4. Do you think people today have enough free time?
5. Are people busier today than their parents were?
6. Does social media improve or reduce our free time?
7. What activities help you recharge your batteries?
8. If you had three extra hours every day, how would you spend them?
9. What is the difference between free time and wasted time?

Do you like the free Conversation Cards? Do you use them in class?

Now you can access even more engaging and thought-provoking content ready to use in your conversation class.

Check out **That's Conversation!**

That's Conversation MniEbooks will provide you with intuitive exercises that both inspire discussion and teach new language. You can use them in their original digital format for your online class, or you can print them for use in a more traditional classroom setting.

For more conversation exercises focusing on
free time activities get:

That's Conversation! - Outdoors

<https://ice-breaker.pl/produkt/thats-conversation-outdoors/>
