

*There's a lot of blood, sweat,
and guts between dreams and success.*

Bear Bryant

Guts

1. How would you feel about attending an anatomy class to see real human **guts** up close?
2. If you had to **gut** a fish for dinner, would you be able to do it? Why or why not?
3. If burglars **gutted** your house while searching for valuables, what do you think they would take first?
4. Can you think of a time when you didn't **have the guts** to do something? What was it?
5. What's the most **gut-churning** experience you've ever had?
6. Have you ever had a **gut feeling** about something that turned out to be true? What was it?
7. Do you usually trust your **gut instinct**, or do you prefer to think things through logically? Why?

That's Conversation!

Do you like the free Conversation Cards? Do you use them in class?

Now you can access even more engaging and thought-provoking content ready to use in your conversation class.

Check out **That's Conversation!**

That's Conversation MniEbooks will provide you with intuitive exercises that both inspire discussion and teach new language. You can use them in their original digital format for your online class, or you can print them for use in a more traditional classroom setting.

For conversation lessons on **human body** check out:

That's Conversation! - Impression

<https://ice-breaker.pl/produkt/thats-conversation-impression/>
