# Would

1. What would you do if you did not have to work?
2. If you had to live in a different country, where would it be?
3. If you opened a restaurant, what kind of food would you serve?
4. If you could shop for free at one store, which one would you choose?
5. If you were on the run from the police for a crime you didn't commit, where would you go?
6. What would you do if you were invisible for a day?
7. If you had to become an inanimate object for a year, what object would it be?
8. What mythical creature would improve the world if it existed?
